

FROM THE PRINCIPAL'S DESK

It is a matter of immense pride and privilege for me to address the readers of Vol. 3, Issue 1 of our college research journal, Belles-Lettre (ISSN: 3107-9814). Since assuming the office of Principal of Karimpur Pannadevi College on 10th December 2025, I have been deeply inspired by the rich academic legacy, collective dedication, and enduring spirit that have shaped this institution for nearly six decades.

Established in 1968 in the remote border region of Nadia district, Karimpur Pannadevi College emerged from the vision, sacrifice, and generosity of many noble souls who believed that higher education should reach even the most underserved sections of society. We gratefully remember the invaluable contribution of Smt. Pannadevi, whose generous donation of land laid the foundation of this institution, and the visionary leadership of Dr. Nalinaksha Sanyal, an eminent scholar of Oxford University, whose dream of educational empowerment inspired generations. The untiring efforts and support of local residents transformed that dream into a vibrant centre of learning which continues to enlighten countless young minds.

Situated in the sacred land of Nadia, blessed by the spiritual legacy of Sri Chaitanya Mahaprabhu, we remain guided by the ideals of enlightenment, compassion, and human unity. The words of Swami Vivekananda continue to inspire us: "Education is the manifestation of the perfection already in man." Rabindranath Tagore envisioned a world "where knowledge is free," while Dr. A.P.J. Abdul Kalam reminded us that "Dreams transform into thoughts and thoughts result in action." The scientific spirit exemplified by Acharya Jagadish Chandra Bose, Satyendra Nath Bose, and Acharya Prafulla Chandra Ray encourages us to pursue truth through research and innovation.

The publication of our peer-reviewed research journal stands as a significant milestone in this journey of academic excellence. Over the years, it has evolved into a respected platform where scholars, teachers, researchers, and students from various colleges and universities share their intellectual contributions. The quality of research published in this journal reflects our collective commitment to knowledge creation, critical inquiry, and academic integrity.

On behalf of Karimpur Pannadevi College, I extend my heartfelt gratitude to the Convenors, Chief Editors, Editorial Board Members, Advisory Board Members, Reviewers, Contributors, and all researchers whose scholarly works have enriched this publication. I also acknowledge the dedicated efforts of the publishing and printing teams and all those working behind the scenes to ensure the successful publication of this journal.

As we move forward, let this journal continue to serve as a beacon of scholarship and intellectual excellence. May it inspire future generations of researchers to contribute meaningfully to society and uphold the values upon which this institution was founded. Through our collective efforts, we shall continue to honour the dreams of our founders and strengthen the academic reputation of Karimpur Pannadevi College in the years to come.

With sincere appreciation and best wishes to all contributors.

February, 2026

Dr. Nikhil Chandra Halder
Principal
Karimpur Pannadevi College
Karimpur, Nadia
