
Editorial

Under the initiative of the Research and Publication Sub-Committee of Karimpur Pannadevi College, *Belles-Lettre*, Vol. 3, Issue 1, has been published. Encouraged by the success of the previous volumes, we have undertaken this endeavour once again with renewed enthusiasm and commitment.

As a multidisciplinary journal, bringing together diverse academic disciplines within a single volume is undoubtedly a challenging task. Nevertheless, we have made every effort to address this challenge effectively and present a cohesive collection of scholarly works.

We are pleased to have included valuable research articles contributed by esteemed teachers and academicians from Karimpur Pannadevi College as well as from other colleges and universities. In addition, this volume features research-oriented papers authored by scholars and researchers from various universities. Throughout the publication, due importance has been given to maintaining accepted research methodologies and academic standards.

In carrying out this work, we received wholehearted support from the Seminar-Webinar Organization Sub-Committee. We would also like to express my sincere gratitude to the IQAC and all our colleagues whose cooperation and encouragement made this publication possible.

With Sincere thanks,
Dr. Md. Latif Hossain
